Congress Session May Wind Up This Week After Voting Record Sum for Peacetimes

Washington, Oct. 15—(P)—The current session of congress probably will wind up this week after putting the finishing touches on a legislative record which, whatever else may be said about it, cost the taxpayers more than ever before in a peacetime year.

Remaining on leaders' lists of legislation still to be finally approved are four more government money measures and a new tax boost to help pay the bill.

Apparently slated to go over until next year, when the same 82nd congress returns for its second session, are President Truman's request for revision of the economic controls act and a host of lesser issues.

Democrat leader McFarland of Arizona told newsmen late Saturday that only an unexpected hitch could halt the drive toward adjournment.

"There is not a lot of work remaining to be done, but the general sentiment both in the senate and the house is to get out," he said. "Once members of congress decide they want to get through, we move awfully fast."

Both houses stated minor bills for consideration today.

Tomorrow the house will turn to the \$5,750,000,000 tax bill. A compromise between its larger and the senate's smaller version. Indications were that the compromise would be approved without much trouble there and in the senate.

The biggest of the remaining appropriations bills is an \$8,200,000,000 measure carrying funds for foreign economic and military aid in the year which started July 1. The house passed it last week, but the senate appropriations committee still has it under study.

After the senate has voted on it, a conference between the two houses probably will be necessary to iron out differences. Also awaiting senate action is a \$4,400,000,000 bill carrying funds for military and atomic energy construction.

McFarland hinted Democratic leaders will seek to avoid a showdown now on President Truman's appointment of Ambassador Philip C. Jessup to be a U. S. delegate to the United Nations. The appointment has stirred up controversy and debate on it might require considerable time.

FOUR FROM HOME IN CONVENTION CITY
Mr. and Mrs. Richard Hansen, 18 Franklin street, and Mr. and Mrs. Donald E. Smith, 12 Conewago avenue, are attending the American Legion convention in Miami, Fla. Mr. Hansen, a past commander of Chief Conplanter Post, is the official delegate from the 28th division, comprising the counties of Warren, Venango, Elk, Mercer, Forest and McKean.

Legionnaires and members of their families gathered here from all parts of the nation.

Visitors were assured that even if the storm sweeps this area—which isn't a certainty—they will be safe in the well-built hotels and will have plenty of warning of the storm's approach.

High spot of the opening day's program was the speech of De-

A. P. Dispatch Declares Huge Meteor Over Area Apparently Burned Self Out

Readers who called the Times-Mirror for information about a meteor observed in the sky last evening about nine o'clock, will be interested in the following Associated Press dispatch from Washington concerning the phenomenon:

Washington, Oct. 15—(P)—A meteor seen as far as 100 miles at sea and reported as a brilliant streak of fire in last night's sky over at least four states apparently burned itself out.

There were several reports that parts of the meteor had struck the earth with a roar and blinding flash.

The Civil Aeronautics Administration traffic control center said airplane pilots had reported sighting the meteor 100 miles at sea. They said it was traveling in a westerly direction.

Police in West Virginia, Pennsylvania and Kentucky investigated reports of anxious residents who saw the ball of fire. And residents of the Cleveland, O., area called the observatory of Case Institute of Technology reporting they had seen the flash in the night.

About 90 miles north, at Greensburg, Pa., residents swamped their police and fire departments with telephone calls about an explosion that made the ground tremble.

Firemen were called to one suburban area where residents reported seeing a bright flash and smoke, accompanied by a loud noise.

Pittsburgh airport authorities said at least five commercial airline pilots reported seeing a bright light sweep across the sky. One said he saw a "bluish light stream southward and dissipate in a flash of orange." The time was 9 p. m.

SEE PRINCESS
Dr. and Mrs. H. H. Barr, 13 Hertz street, have returned from Toronto, where, on Friday evening, they had the pleasure of seeing Princess Elizabeth and the Duke of Edinburgh as the royal couple arrived to make their official visit to the city. They report the loud speaker system hooked up brought the voice of the princess clearly to the great throng assembled in the streets about the city hall.

Almost 500 New York State Residents Make A "Rambling Rail" Visit to This District

Warren was accorded a brief visit, Sunday, by about 488 residents of New York state who arrived here on a "rambling rail" visit aboard a special New York Central passenger train, the day's trip having originated at Rochester with stops made at Buffalo, Dunkirk and Falconer.

The chief objective of the trip was the journey down the old Dunkirk and Allegheny Valley Branch of the railroad, to Titusville and return. The stop in Warren was made alongside the Pennsylvania railroad engine house north of Fourth avenue, and at the time of arrival four Pennsy engines were being serviced. The visitors swarmed from the train, cameras clicked and eyes bulged as they viewed the steam engines, most of which weigh a mere 365,000 pounds. The turn table was at hand for picture-takers and an automatic coal lift was in operation. Begrimed workmen with huge oil pointers were at work, a traveling work train stood nearby, and the whole atmosphere was conducive to the rail fans' entertainment.

"This is the only real railroad scene we have witnessed on the trip," they claimed.

Nat Drake, secretary of the Warren Chamber of Commerce, provided Warren folders for the visitors and the entire supply was exhausted. They also took away with them every one of the folders describing Warren county hunting and places to stay during hunting season.

Another unheralded event on the rail ramblers' schedule was the racing set-up at Dickey-Ben Speedway. En route on to Titusville, the train slowed as it passed the track, where the largest crowd in history had assembled, and cameras clicked again.

The train was due in Warren at 12 noon, but arrival was about 2:15, with a 10-minute stop arranged. Because of the unusual display at the Pennsylvania engine house, the visit was extended to 20 minutes. The train was a beauty, powered by two huge Diesels. The rail ramblers had hoped to see steam engines used but because of there no longer being watering facilities between Dunkirk and Titusville, this could not be accomplished. There were 10 coaches and a baggage car, with several of the cars equipped for club and dining use. Even the big baggage car was fixed up for the use of the younger element, the doors being barricaded with huge slats to keep the neck-craneers from falling out.

The passengers seemed to range from young guests to very elderly folk, all in a festive mood and mightily well impressed with the railroad display provided in Warren.

The historical society special was the first passenger train to run over the D. A. V. & P., since

Pittsburgh Youths Are Arrested Here With Stolen Auto

Two teen-age juveniles from Pittsburgh were objects of a several county police chase today which ended at 12:30 p. m. when the youngsters, driving a stolen car, were caught at Irvine by an officer from the local barracks of the Pennsylvania State Police and the fire officer from the Erie barracks, who was in this section on business and heard the alarm over his car radio.

Driving a beautiful new 1951 green Oldsmobile sedan, the two boys drove into the John D. Logan gasoline station, Tiona, at 10:30 a. m., gave the attendant the customary "Fill 'er up" order, made small conversation, and when the cap was screwed onto the tank, they dove for the car and dashed off.

When the Logan station advised State Police that the license number of the car was Pennsylvania 5P146, it was immediately determined the car was stolen last night from its owner, William Oliver, 1322 West North avenue, Pittsburgh, and the local station sounded an alarm to Erie, Tionesta, Bradford and Corry. Road blocks were set up, but it so happened the fire officer, on his routine run to this office, spotted the car on Pennsylvania avenue, west near the Walker Ice Cream Company's retail store, headed west. He turned and took after it, sounding the alarm by car radio, and a local patrolman joined the chase, which ended at Irvine.

The boys were placed in the County Jail at 12:30 p. m. today.

Former Pastor At Ridgway Is Honored

Minneapolis, Oct. 15—(P)—Dr. Oscar A. Benson was installed last night as tenth president of the Augustana Lutheran church, which claims a baptized membership of 459,364.

The service was attended by nearly 1,500 persons from this country and Canada. It was held at the Minneapolis Augustana Lutheran church, where Dr. Benson was ordained into the ministry 36 years ago.

Born in Derry, Pa., in 1891, Dr. Benson was educated in Greensburg, Pa., public schools and at Upsala College, East Orange, N. J.; Augustana College, Rock Island, Ill., and the Augustana seminary there, Columbia University and the University of Pittsburgh.

He served congregations at Albert City, Iowa; Montclair, N. J.; Ridgway, Pa.; Chicago, and most recently, Worcester, Mass. He has been vice president of the ALC since 1941.

Dr. Benson succeeds Dr. P. O. Bersell, Minneapolis.

NO PROGRESS TOWARD NEW TRUCE TALKS

Munsan, Korea, Oct. 15—(P)—Allied and Red liaison officers wrangled for three hours in Panmunjom today but got nowhere in their efforts to get the stalled cease-fire talks started again.

Only hopeful sign noted was an agreement to meet again tomorrow at 10 a. m.

An official U. N. summary said the Reds continued to insist on a five-mile neutral zone around Kaesong, former site of negotiations. The Allies want the five miles reduced to 3,000 yards—less than two miles.

This, and a Red demand that security arrangements be settled by the main delegations—rather than by liaison officers, appeared to be the main stumbling blocks in getting truce sessions underway again.

One potential threat to the resumption of talks apparently was removed with the Allied admission that three U. N. warplanes strafed the Kaesong-Panmunjom area late Friday afternoon.

Unofficial Communist sources indicated the Reds consider the incident closed.

Gen. Matthew B. Ridgway Sunday night accepted U. N. responsibility and promised prompt disciplinary action. The supreme Allied commander also expressed his "heartfelt grief" at the death of a 12-year-old Korean boy and the

GABRIELSON SAYS HE'S NOT QUITTING

Washington, Oct. 15—(P)—The resignation of William M. Boyle, Jr., as chairman of the Democratic National Committee isn't going to be followed by that of his Republican counterpart, GOP Chairman Guy G. Gabrielson says.

Boyle announced his resignation Saturday night, giving health as his reason, and indicated he would issue shortly—perhaps today—a call for the Democratic National Committee to act on it.

Gabrielson, who like Boyle has been under attack from some quarters in congress, was emphatic in saying he does not intend to step down.

Nine Are Dead In Highway Accidents

Pittsburgh, Oct. 15—(P)—Nine persons were killed in accidents on western Pennsylvania highways over the weekend.

Two pedestrians were killed and two drivers died in head-on collisions while two others were thrown to the road and crushed to death. An Erie soldier was fatally injured in a Pennsylvania Turnpike crash which involved four autos and a station wagon load of servicemen.

Killed in one of two mass pile-ups on the fog-shrouded Turnpike Saturday was Pfc. Bernard Firman, 21, of Erie. A half mile away six cars and a house trailer tangled in a series of collisions, injuring several persons.

YOUNGSTER DROWNS IN MONONGAHELA

Pittsburgh, Oct. 15—(P)—Eight-year-old John Richard Neafsey drowned yesterday as he waded into deep water of the Monongahela river trying to recover a home-made raft.

Neafsey and two other boys made the raft from old lumber found at the Neafsey home in nearby Swissvale. A fisherman recovered the body and towed the raft back to the river bank.

Industry Visitations to Start A Full Week of Activities In Observance of Penn'a Week

A full week of activities in observance of Pennsylvania Week got underway this morning at ten o'clock and each day this week will be full of ceremonies and speeches arranged by the Warren County committee under its chairman Ralph E. Sires.

This morning students of the Marienville High School visited the United Refinery and this afternoon made trips to the Paramount Furniture Plant and Thomas Coupling. These plant visitations are being arranged in cooperation with Gurney Ball of the Department of Labor and Industry.

Two speeches about the new Pennsylvania Flag were on today's schedule. At noon the Rotary Club listened to Harry F. Schmidt who also will journey to Tidoute this evening to address the Fortnightly Club.

Tomorrow morning students from Warren High School will visit the United Refinery and pupils in the economics class will go to the Warren County Dairy.

Mr. Schmidt will speak to the Sheffield Rotary Club Tuesday while William E. Rice, council president, will be talking to the Warren Lions Club. Student visitations tomorrow afternoon include Youngsville High School at the United Refinery, and Tidoute High School visiting Paramount and Sylvania.

Mr. Sires reminded the public this morning that the highlight of Pennsylvania Week will be the public meeting in the Court House Thursday evening when an outstanding program has been arranged.

The Warren Boys' Choir which has made such a hit with both local and out of town audiences will sing a concert of songs during the Thursday night gathering. A second attraction will be the

Resident of Warren Faces Arraignment On Charge of Attempting to Burn Home

Earl Rossman, 30, was to be arraigned before Justice of the Peace Tracy Greenlund this afternoon on a charge of attempting to burn his own home, Saturday at 4:19 p. m.

Picked together by Borough police and firemen, Rossman's king-for-an afternoon narrative reads like a short story from a ten cent thriller magazine. The fuse for what happened later seems to have been ignited by the spark from a domestic argument following which Rossman is said to have spent the first act of his matinee in a local bar. Libations secured therein did not quiet his ire, but therein did on, with the result that he went to the Rossman home in Egan Place, which runs off Beech street, and proceeded to wreck the house from one end to the other, smashing furniture and jerking plumbing apparatus from the walls. Firemen say he then went to the second floor, and set every room on fire. They presume he used kerosene because of the rapid spread made by the fire, but the fire had spread so greatly by the time they arrived, they could detect no odor of oil.

First intimation of the one-man show came by way of a call to Borough police that Rossman had set the house on fire. Rossman had left the self-made arena by this time, but police found him at the home of a relative and lodged him in the county jail.

Engine Companies 1 and 3 and the ladder truck worked on the fire being on duty there from 4:20 until 6:10. The house was badly damaged.

Warren police records show that Rossman has a proclivity for setting fires. While being held in

Community Chest Campaign for \$54,400 Is Launched in Plants and Industries

Warren's Community Chest "Red Feather Campaign" for \$54,400 got under way in the plants and industries today. Chester S. Allen, chairman of the important Industrial Division, has announced that he and the members of his industrial team delivered chest material to the local plants and industries last week, in preparation for the start of employee solicitation today.

The general campaign does not start until next Monday October 22nd, but the Industrial Division, as well as the Special Gifts Division, expect to have most of their work completed before that time.

The completion of industrial coverage before the general campaign opens, sets up a two-fold purpose. First, it acts as a barometer as to how the over-all drive is going to progress, because from the reception given the workers in this division and the amount of contributions received, chest officials are able to judge fairly well whether the campaign goal will be reached.

Secondly, all industrial workers who make a pledge or cash contribution will be given a red feather for lapel use and a home window sticker. These window stickers are red and blue in color this year and bear the usual words "We Give—The United Way." They should be taken home and displayed, so that when the house to house coverage starts next week, volunteer solicitors in the Wom-

CHINESE ARE CHASED FROM FOUR PEAKS

U. S. Eighth Army Headquarters, Krasa, Oct. 15—(P)—Red resistance faded on two blazing fronts today as Allied infantrymen drove deeper into North Korea.

On the eastern front United Nations troops captured a strategic 4,500-foot peak and kicked lightly defending Chinese off at least four hilltops.

On the central front three Allied divisions stabbed nearly two miles closer to Kumsong, vital Red supply and headquarters city about 30 miles north of parallel 38.

The captured peak in the east is the highest terrain feature between the punchbowl and the Pukhan river. It fell to the U. S. 38th Regiment after a bitter three-day battle.

The towering mountain is at the northwest end of Kim Il Sung Ridge, named by North Korean troops for their Premier.

West of Heartbreak Ridge, now held by the Allies, American tanks rumbled up the Mundung valley and blasted Red positions in the hills above.

On the left flank of the eastern front South Korean troops smashed three and one-half miles north at one point.

The central front drive netted the Allies five more hills, for a three-day total of 24. Since the drive began Saturday the U. N. troops have pushed forward up to as much as five miles in places.

Field dispatches said Red resistance crumbled completely at some points.

The smash toward Kumsong was supported by huge Marine helicopters that ferried ammunition to the front and evacuated Allied wounded.

The Reds retreated along fighting fronts, but they stood firm at Panmunjom where liaison officers tried again Monday to get cease-fire talks resumed.

The two sides argued for three hours without progress. The main stumbling block appeared to be the Red insistence that the five-mile Kaesong neutral zone be maintained, although the site of the talks has moved six miles south eastward to Panmunjom.

Allied aircraft were out in force in support of both major ground attacks.

Forty U. N. warplanes attacked an estimated 500 Chinese troops moving toward the front north of Yangju.

The western front was quiet after the fierce battles of last week. The central front drive was spearheaded by the veteran U. S. 24th Division, flanked by the South Korean Second and Sixth Divisions. The 24th is the oldest U. N. formation in Korea.

Gratifying Result Is Reported For Benefit at Russell

Garland, Oct. 15—A benefit dinner was served in the community building Wednesday evening, with a gratifying turnout. The committee is most appreciative of the efforts of all who donated food and assisted with its preparation and serving; also for the gift of hams from Mr. and Mrs. Irwin.

The Woman's Auxiliary of the Presbyterian church was entertained at the home of Mrs. Chris Lund for its October session. The next meeting, in two weeks, will be with Mrs. Russell Smith in the evening instead of afternoon.

Several Garland residents attended the funeral service for Mrs. Paul Holmes at the Young Funeral Home in Youngsville. Interment was made in the Garland Methodist cemetery.

Norman Taylor has charge of

the community center activities for the month of October.

Neota Hill has been brought home from the Warren Hospital where she underwent an appendectomy.

Mrs. Tillie Avery and daughter, Kathryn, have been in this part of the township assessing property. Mrs. Avery plans to retire from work this year.

Mr. and Mrs. Merle Sandrock, Mr. and Mrs. Homer Frampton and family, of East Hickory, enjoyed a motor trip and picnic dinner Sunday, honoring the youngest grandson's birthday.

HANGING IN WOODS

Jamestown Sun: A badly decomposed body found hanging yesterday from a tree in woods on the Warren Waite farm near Kimball Stand, was identified last night as that of George Bates, 61, who lived at 208 Jefferson street, Jamestown. Chautauqua County sheriff's department said identification was made by Myrl Williams, of 305 Lafayette street, through clothes found on the body which Williams had given the dead man. Bates had been missing from his residence since about August 1, officers said. The body was found by two teen-age Jamestown boys, David Burkett, of 16 Shaver street and Leslie Johnson of 6 Fulton street, while they were walking through the woods yesterday afternoon.

'Ugh! Those Billowing Skirts!' Laments Schiaparelli; They Make Slim Women Look Fat, Make Fat Women Look Fatter!

By DOROTHY ROE
 Associated Press Fashion Editor

Few women, French, American or Hottentot, know how to look their best.

This is the observation of Mme. Elsa Schiaparelli, after a lifetime of selling glamor to most of the world's best-dressed women.

Looking youthful and full of bounce, Mme. Schiaparelli sat at a Louis XIV desk in her black and gilt Fifth Avenue salon.

Small, dark and dynamic, she is well qualified to speak on the subject of fashion. Her dressmaking salon in Paris still is flourishing, after 25 years which have seen many of the great names fade. Her enterprises on both sides of the Atlantic multiply almost by the hour. Right now, in addition to her main business of dress designing, she has the following irons in the U. S. fire:

A line of Schiaparelli dolls, a

stocking manufacturing business, a successful perfume business, a wholesale coat-and-suit manufacturing business, a line of scarfs designed by Schiaparelli, Schiaparelli-designed blouses, and lingerie.

U. S. tycoons look on her far-flung activities and murmur wistfully:

"But women aren't supposed to understand business."

So Mme. Schiaparelli probably knows what she is talking about when she comments on the vagaries of her less-gifted sisters. She adds thoughtfully:

"Few women even know what type they are."

She describes a typical customer in her Paris salon:

"A woman comes in to buy a dress, looks at the model and says, 'I love it.' But she'd like it in another color and a different fabric, with perhaps another belt. The result is that when it is com-

pleted to her specifications, she hates the dress—and often she's right."

"Then there's the customer who buys a dress at one place, a hat at another, accessories somewhere else and then wonders why her clothes always look thrown together."

Unless you are very sure of your own type and tastes, it's best to put yourself in the hands of the designer, whose business it is to see that you look your best, Schiaparelli advises.

The essence of the Schiaparelli philosophy of dress is to avoid distortion of the human figure and to keep the entire picture simple, so that the woman is not secondary to her clothes.

Here on a flying visit to New York, Schiaparelli's most violent fashion comment is on the billowing skirts that are top favorites of the season in the U. S. A. Says she:

"They make even a pretty woman look dowdy. They hide the natural lines of the body. They make thin women look fat, and fat women look enormous. I can't bear to look at another full skirt."

"They remind me of the 'new look,' which was the quickest

Bear Seeks Honey on Back Porch of Home at Star Hill in Grand Valley Vicinity

Titusville Herald: If there is one thing a big bear likes best, it is honey. And if he gets a taste of honey, he usually wants more.

Thursday night a bear out Grand Valley way found some honey on a porch. It tickled his sweet tooth so enticingly that, when he came back later in the night and could not find any, he tried to make up for his disappointment by smashing a beehive to smithereens.

Mr. and Mrs. Victory Lofgren, who keep seven or eight swarms of bees on their place on the east side of the valley at Starr hill, two miles north of Grand Valley, had extracted honey from some combs late Thursday. The extractor and the comb refuse had been left on the side porch when they went to bed.

About 10:30 p. m. they heard quite a ruckus on the porch. They thought at first that a neighbor's

dogs were causing all the commotion.

Mr. Lofgren got up, went to the kitchen and peered out. Mrs. Lofgren peered out a bedroom window into the moonlight night. There sat Mr. Bruin on the steps, all 300 or 400 pounds of him, looking up at her. He quickly ambled off into the woods.

But Mr. Bruin liked what he had tasted and he wanted more. At midnight he came back. This time Mr. Lofgren turned on the floodlight and the bear ambled across the yard again.

Next morning the Lofgrens discovered that Mr. Bruin had practically destroyed one of the beehives, apparently trying to find a second helping of honey.

A game warden stopped yesterday at the Lofgrens and said that the state would pay for the damage the big bear had wrought during his midnight spree.

Mr. Bruin could also be Mrs. Bruin. Jacob Kutich, a neighbor of the Lofgrens, saw a bear and its cub going to a spring early this fall. Bear tracks have also been spotted in the former picnic grove nearby.

But Mr. (or maybe Mrs.) Bruin may soon find out that sweet tooth can soon lead to trouble. The Game Commission people would like to set traps and catch him.

The Lofgrens bear has a relative at Sheffield which visits the garbage dump at that community every night and eats his fill of swill. The Sheffield bruin doesn't mind company; some evenings recently there have been as many as 20 carloads of humans watching him.

The Japanese introduced the giant African land snail to their island outposts during World War II so their soldiers could have snail stew.

KILLED BY LIGHTNING

Ray and Fred Interpeter, two Navajo boys residing with Dr. and Mrs. N. K. Beals in Franklin, have received word from their father, Mose, that their grandmother and little, six-year-old cousin were struck by lightning and killed on October 1 on the Navajo reservation in Arizona. The grandmother and the little child were out tending the sheep when the storm began, bringing the first rain since March. Their bodies were found in the field. The father said in his letter that the medicine men of the tribe blamed the deaths on the Navajos who turned Christian and accepted the white man's way. He said they were persecuted by the medicine men, who continually preached against Christianity.

Federal law prohibits the destructive giant African land snail from being brought in the country.

And—this year—it means more than ever!

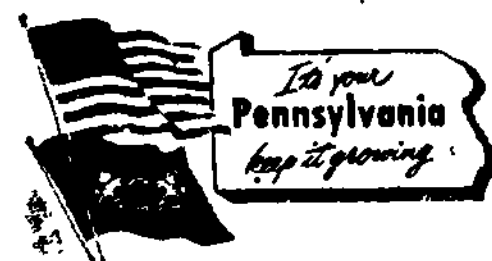

Pennsylvania Week is the time when we let people know about our state and our community. We want to attract people . . . industry . . . prosperity. We do it by focusing attention on what our community has to offer those who want to share in the good things Pennsylvania has.

This year, Pennsylvania Week means something more. The good life that Pennsylvania helped fashion for America is threatened. Pennsylvania has a vital role in meeting that threat.

KEYSTONE OF THE NATION . . .
BULWARK OF DEFENSE!

Pennsylvania already out-produces the world in many of the things we need for defense. More billions of dollars worth of productive facilities are being built here. All this productive power must be backed by man power.

That's where you come in. Whatever job you have to do . . . do it like a Pennsylvanian.

Next Big Event on Y-Teen Schedule s "Chocolate for Christmas Dance"

Members of the Y-Teen department of the YWCA are rapidly working out a full schedule of activities that will see no let-up until school and the club season come to a close next spring.

Interest groups were started, October 8, with 140 girls present and continued the second week with 125. These nine interest groups have the following enrollment: Knitting, 21; service, 19; dramatic, 36; crafts, 6; party cooking, 8; square and folk dancing, 21; charm, 30; choir, 28; and radio, 20. More volunteers were needed to help with the girls and Ann Shulman, Marjorie Beckwith and Carol Wade have been added to the list of interest group leaders, making a total of 17 leaders. High School Girls Club has a total membership of 187 girls.

A social hour was enjoyed last Monday evening by the interest group leaders in the private dining room at the YW, the officers serving cookies, tea and coffee, and leaders having a chance to get acquainted with each other and learn more about the girls' program.

The girls are going to send their candy bars to the Philippines this year and have scheduled a "Chocolate for Christmas Dance" Monday evening, October 22, at the YM. The dance will take the place of the regular Girls' Club meeting and the admission will be a 50c candy bar. All youth of the community are invited to attend. Candy bars will be sent to a YW in the Philippines and will be given to the boys and girls for Christmas.

A dance is also planned for November 18 and the profits from this dance will be given to World Fellowship.

There were 45 ninth grade girls attending their opening meeting and the following officers were

electd: President, Carol Saglimbene; vice president, DeeDee Morrill; secretary, Janet Miller; treasurer, Marilyn Patrick. These girls have planned a bake sale, hay ride, Halloween party, and many other social events. They plan to have some educational movies and speakers during their club meetings.

Eighth Grade Y-Teens number 90 members and also have many ideas and plans for a full year of fun and fellowship at the YW. Their officers for the new season are: President, Maxine Boyd; vice president, Mary Louise Chessnut; secretary, Regina Capola; and treasurer, Dorothy Lundahl.

Seventh Grade Y-Teens met and elected the following officers: President, Joyce Zibbe; vice president, Janet Zibbe; secretary, Susie Weigle; treasurer, Carolyn Marks. There are 81 Seventh Grade girls in the Y-Teens, and all have many plans for good times during the year.

YOUNGVILLE PTA

Members of the Youngville PTA will meet Tuesday at eight p. m. in the high school auditorium. An executive board meeting will be held at 7:30 p. m. in the library. Kenneth McCurdy, school driving teacher, will speak on "Safety and Good Sportsmanship in Driving". There will be special music.

ELECTA CIRCLE

The Electa Circle of the First Methodist church will meet at the home of Mrs. Donald Taft, 406 Liberty street, Tuesday at eight p. m.

present. Any members desiring to attend should contact the local unit president prior to that date.

The annual dinner held by the Auxiliary and Legion was set tentatively for Monday, November 12, at the Legion home with the meal to be in the form of a tureen dinner. The Legion and Auxiliary will share the costs of the meal for the dinner, to which all servicemen and women are invited. Further plans will be announced later.

Members were urged to pay their dues to the membership chairman, Mrs. John Samuelson, as soon as possible so that the quota of 154 members may be met early this year.

Following the impressive installation ceremony and a talk by Mrs. Hall, the director, refreshments were served in the form of a tea, with crystal and silver appointments for the table, which was centered with a beautiful bouquet of flowers.

Members of the hostess committee were Tracie Johnson, Mrs. Blenda Hinkley, Mrs. Evelyn P. Gailor, Mrs. Jennie McDowell, Mrs. George Peterson, Mrs. Agnes Whyte and Agnes Lundquist.

Church Women Hold Meeting

The preliminary meeting of the Warren Council of Church Women was held at the First Lutheran church. Mrs. A. R. Schults, chairman, opened the meeting with a meditation, "Lowest Thou Me?" The business meeting followed, at which time it was moved that \$15 be contributed to the Freedom Crusade and a like amount to a Japanese university.

Mrs. M. G. Perry, chairman of the nominating committee, presented the following names for officers to be elected to serve for 1951-52: Chairman, Mrs. A. R. Schults; vice chairman, Mrs. H. E. Farrell; treasurer, Mrs. Warren Carlin; secretary, Mrs. Ernest Huber.

Plans were made for the programs for the year and the grouping of churches. The first meeting will be the observance of World Community Day on November 2 at the First Baptist church, with the Grace Methodist church associating. Mrs. Herbert Harris is chairman of the program committee.

The Lord's Prayer was said by all and the meeting adjourned.

LACY PTA MEETING

A large turnout is hoped for at the meeting of Lacy PTA, to be held at the school at 7:30 p. m. Tuesday, when Miss Jean Spencer, of the high school faculty, will talk on her summer trip to Europe and show slides. To conclude, refreshments will be served by kindergarten mothers.

Think Twice Before You
'Get Away From It All'

A WIDOW in her middle forties who met the problem of making a new life for herself by turning her house over to her married daughter, pulling up stakes and going to a distant city to get a job describes herself as the most lonesome person in all the world—and asks me what she ought to do.

Back-track, fast. She never should have given up her home, the town where she had made a place for herself, and the friends made through her years of marriage to try to make a new life in a distant city if she is the kind of person who can feel like "the loneliest person in the world."

A woman less dependent on friends, with a greater spirit of adventure might have been able to make the jump successfully.

But the average woman, who finds herself facing life alone after years of marriage, needs all of the protection that her own home, her trusted friends, and her established place in a community can give her.

NOT TOO LATE TO CORRECT AN ERROR

IT isn't too late for the woman who willingly gave up all these things to admit her error to herself. She should—and return to build her new life among familiar surroundings and among her friends.

That is her best chance for building a satisfactory life. For there she will be building on a foundation she has already put down.

In times of loss and grief a woman often decides that the only way to make a new start is to get far away from the things and the people she has always known. But that is usually a mistake.

Why at the time when she needs them most should a woman turn her back on the home she has made, the friends she has chosen through the years, and the place in a community she has built for herself?

To entertain, James Richards, member of the high school faculty, showed moving pictures he had taken while in Colorado this summer, and Marian and Norma Mills gave two vocal duets. The attendance collection of \$5.38 went to Mrs. Elton Cable's room.

To conclude the evening, lunch was served by a group of Sugar Grove women.

Reminder for Youngsville - Pittsfield Area Citizens... Our Men In Korea Need Your Blood

Our wounded fighters in Korea—and those of our Allies—are facing a critical shortage of life-saving blood. Plenty more is needed and needed quickly. Our wounded gave their blood the hard way. You can replace it the easy way—by simply going to your Red Cross blood bank. The pictures below illustrate how and why of the urgent appeal the Defense Department is making to you.

The speed and efficiency with which blood is being administered on the battlefield today has slashed the World War II death-from-wounds rate of 4.9 to 2.6 (a record low) for the Korean conflict. But stockpiles of whole blood, which can be preserved for only 21 days, and plasma, good for five years, are shockingly inadequate.

Graph above compares this year's goal with amount collected during first year of Korea. How much blood will be converted to plasma is a secret.

Civilians are to supply 50 per cent of the goal. Their blood will be collected by the Red Cross. Donors must be healthy and between ages of 16 and 60.

Remainder will be supplied by men in uniform. Blood from both sources will be available to civilians in times of crisis or catastrophe. Experts estimate that survivors of an A-bomb attack on one city would require at least 150,000 units of blood in the first three weeks period, and twice that in the event of a surprise attack.

IRVINDALE PTA

Dr. J. F. Crane will show movies and talk about his European trip at the October meeting of Irvindale PTA, scheduled at 8:00 p. m. Tuesday at the school. At the close of the program and meeting, the committee will serve refreshments.

GLADE FARM WOMEN

The regular meeting of the Glade Farm Women's Society will be held at 1:30 p. m. Wednesday at the home of Ruby Sperry, Fifth avenue extension, and a large turnout is hoped for.

PENNSYLVANIA WEEK IN BOROUGH SCHOOLS

"Promote Pennsylvania through Warren" is the theme of the fifth and sixth grades in McClintock School for Pennsylvania Week. Miss Veura Schuler, principal and teacher of the fifth grade, and David Olson, teacher in the sixth, will take their classes to visit Walker's Creamery and possibly other industries.

group in a discussion of Warren's industrial part in the state of Pennsylvania. The art class will draw a scene of Warren.

Second-grade pupils, under Miss Bertha Nelson, will discuss the birthplaces of their parents and the different kinds of work their parents do.

Friendship and cooperation will be the theme for the first graders. Mrs. Marian Berg will have discussions which show the early history of Pennsylvania and the friendly philosophy of the Quakers.

In kindergarten the children will follow a program similar to the others. Mrs. Mary Conway, the teacher, will use stories about William Penn and the founding of Pennsylvania, and the pupils will talk about them.

Perhaps the largest gun ever built was "Little David," designed by the U. S. Army to attack the German Siegfried line in World War II but never used.

Strain-Worry Getting You Down

Iron-Iodine Starved Blood and Glands Leave Thousands Feeling "Only Half-Alive"

If you have been ill, ailing, out of condition or low-spirited and possibly because you fail to get sufficient Vitamins and Iron from the food you eat, you do not "come back" as quickly as you should—you owe it to yourself to get a bottle of the new Iodine-Iron-Vitamin reconstructive tonic known as FERRIZAN.

Do not confuse Ferrizan with old-fashioned liquid Iron tonics. Ferrizan is more than a tonic, it is a truly modern Dietary Supplement that, because of its Iodine content, does infinitely more than either Iron or Vitamins alone or in combination. Nerves should be steadier—eyes brighter—appetite back—physically and mentally more alert—your outlook on life much more optimistic.

Community Chest Campaign Is Launched

(From Page One)

en's Division will know that the worker in homes displaying the sticker, contributed at his (or her) place of employment and the call may be passed up unless a card shows that someone usually makes a contribution at the home as well. This will save many steps for the civic minded group of women who each year give so generously of their time that house to house coverage can be accomplished.

Also, the more of these window stickers they see on their rounds next week, the more encouraged they will be by the fact that the campaign has been well supported in our industries.

Members of the Industrial Team who have contacted industrial firms and delivered chest material to the company chairmen, as well as help them plan their system for employee coverage, are as follows: Chester S. Allen chairman, M. T. Armstrong, I. S. Brumagim, H. W. Conarro, T. K. Creal, R. E. Dunham, E. G. Garber, P. E. Harrington, E. H. Ley, A. L. Rasmussen, D. H. Mowell and Byron Knapp.

Television Talk by CHUCK LOSH

I often hear this comment when discussing television with various people: "They say I couldn't possibly have television because it costs so much." This is not necessarily true. A good radio receiver will often cost much more than a table model television receiver which contains more than three times the number of tubes employed in the radio. For the material and parts included in comparable radio and television is the greatest bargain in the electrical appliance field today. Television owners also tell me that in one year, they have saved more than enough to pay for their T.V. set because they attended fewer movies, stayed home more often, had fewer baby sitters etc. Sociologists say that television may rebuild the long lost concept of family life. Television owners find the children are more obedient. The impact of television upon our way of life may be as pronounced as the advent of the automobile. A world of entertainment and education awaits you on your television screen. You will have all the world before you in the comfort of your own living room. New government credit regulations make it very easy on the budget to own television. A down payment of only 15% is required, and the balance may be financed in easy payments over an 18-month period. Sylvania television models are priced from \$189.95 up in all shapes and sizes to suit your pleasure. Quality antennas and boosters are now available at the lowest prices in history. Come in to Western Auto Store, 225 Fifth St., Erie, Pa., soon. See the wide variety of T.V. receivers on display. And remember, if you live in a difficult signal area, BUY NO TV ANTENNA SYSTEM UNTIL YOU HAVE ASKED US ABOUT AMAZINGLY SIMPLIFIED POWER BOOSTING. THE WORLD'S MOST POWERFUL TV BOOSTING SYSTEM.

MRS. EMMA OLSON

Jamestown, N. Y., Oct. 15—Mrs. Emma Johnson Olson, 78, widow of Henry O. Olson, of 45 Beech street, died in the home of her daughter, Mrs. Arthur Rasmussen, 23 South Allegheny avenue, West Ellicott, at 6 a. m. yesterday after a short illness.

Besides Mrs. Rasmussen, she is survived by five daughters, Mrs. Edwin Johnson, West Ellicott; Mrs. Fred Pankoof, Mrs. Hilding Johnson, Mrs. Lawrence Ellis and Mrs. Gust Lundquist, all of Jamestown; five sons, Rudolph, Norman, and Elton, all of Jamestown; Herbert, Sugar Grove, and Milton of Ashville; a sister, Mrs. Fred Peterson of Brocton; 24 grandchildren and 12 great-grandchildren.

Born in Sweden, Aug. 26, 1878, the daughter of August and Mathilda Johnson, Mrs. Olson came to the United States with her parents at the age of 11. She and her husband celebrated their 56th wedding anniversary prior to his death in June 1950.

Mrs. Olson lived in Scandia for about 16 years and was a Jamestown resident for the past 33 years. During her early life she worked in the Hall Worsted Mills and was employed at the WCA Hospital for ten years until her retirement three years ago.

She was confirmed in the old Lutheran church.

The remains will be at the family residence, 45 Beech street, until 10 a. m. Wednesday. Funeral services will be held from Powers Funeral Home at 1:30 p. m. Wednesday with the Rev. Paul A. Westerburg, pastor of the First Lutheran church, officiating. Interment follows in Lake View cemetery.

MRS. D. E. LESSER

Mrs. Lydia Lesser, wife of D. E. Lesser, Cobham Park road, died at 12:05 p. m. today in Warren General Hospital. She was a lifelong resident of the county and widely known throughout this section. Removal has been made to the Peterson Funeral Home, from where announcements for services will be made later.

FRANK JAMES AKELEY

Frank James Akeley, Conewango avenue extension, died at 6:40 a. m. Saturday at Warren General Hospital after an extended illness. A lifelong resident of Warren county, he was born at Russell July 31, 1890, and had lived in RD. 1 for the past six years. Retired, he had worked in the filter house of the United Refining Company for 15 years.

Besides his wife, Mary Kingsley Akeley, he leaves two daughters, Mrs. Robert Stormer, Sr., Jamestown, N. Y., and Mrs. Kenneth Straight, Warren RD. 1; two brothers and one sister, Fred Akeley, Warren; Roy Akeley and Mrs. Mat Allison, Jamestown; and five grandchildren.

Friends are being received at the Leo D. Gibson Funeral Home and services will be held from there at 2:00 p. m. Tuesday. The Rev. Beecher M. Rutledge, rector of Trinity Memorial church, will

officiate and interment will be made in Pine Grove cemetery at Russell.

WILLIAM DAVID BLACK

William David Black, 100 Palm avenue, died at the family home at 11:40 a. m. Sunday after an illness of several months. Born August 31, 1893, in Corsica, Jefferson county, he came to Warren 24 years ago and was well known as a mechanic, having been employed in that capacity by Warren County Motors prior to his illness.

Surviving are his wife, Nelle; one son, Royce, of Warren; a brother, James, of Brookville; two sisters, Mrs. Susan Clover, Brookville, and Mrs. Elizabeth Shierber, Clarion; also two nieces.

Removal has been made to the Templeton Funeral Home, where friends will be received at the usual calling hours, starting at 7:00 p. m. today, and where services in his memory will be held at 2:30 p. m. Wednesday. Dr. Arthur Colley, pastor of First Methodist church, will officiate and interment will be made in Cakland cemetery.

MUSTEROLE

IMPACT OF THE BODY of a pedestrian against the front of a car caused damages as seen in picture above in a Market street mishap, Friday night. Charles Barr, 39, of 15 W. Third ave., was reported in "good" condition at Warren General Hospital today after having been struck by a car driven by Donald Wester, 16, of 8 Cedar street. Mr. Barr suffered a compound fracture of the right leg, possible fractured ribs, and it was feared his skull was fractured but the hospital reported today that X-rays on this were negative. The 1937 Ford coach driven by Wester struck Barr at 9:20 p. m. Friday, according to Borough police, as Barr, walking east on Third avenue, crossed the Market street intersection against the light. Wester was driving north on Market street when he struck the pedestrian on the south crosswalk, carrying him all the way across the intersection. The injured man was rushed to the hospital in the Lutz-VerMilley ambulance. (Photo by Coyle).

Sheffield, Oct. 15—Members of the Junior Woman's club will turn out in full costume tonight for their meeting which will be in the form of a Hallowe'en party at the home of Mrs. Herbert Bowler, 402 South Main street.

The roll call for the 8 o'clock meeting will be answered with a Hallowe'en symbol. In charge of the program are Mrs. "Inner Slack," Mrs. Bert Lyle and Mrs. Joseph Fromme.

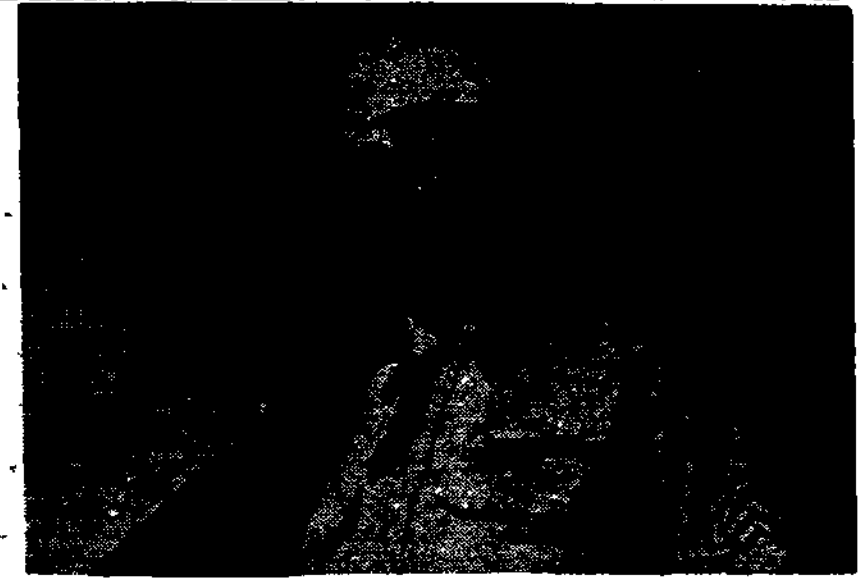

Refreshments will be served by Mrs. Bert Lyle and Miss Irene Olick.

A special Girl Scout program will be presented before the Senior Woman's club this evening at 8 p. m. when they convene at the home of Mrs. D. L. Taylor, Weld street.

Mrs. Harold Stover is in charge of the program and Mrs. Tom Sanford, Girl Scout Neighborhood club president, will give a talk on the local Girl Scout program.

Representatives from each of the Sheffield Scout troops and Brownie troops will also be on hand to tell of their activities.

Refreshments will be served by Mrs. H. H. Baldensperger, Mrs.

"MILITARY INFANTRY"—Twenty years of military service, five of them in actual combat operations, have won the title "top combat soldier" for Sgt. Orlando E. Huntoon, above. Huntoon, a native of Barnard, Vt., is with the 88th Tank Battalion at Indiantown Gap, Pa. He saw service in both World Wars and a full year in Korea. The fighting sergeant's aim is to return to the Korean battle front. (U. S. Army photo from NEA-Acme.)

Officers Elected By Russell Class

Russell, Oct. 15—Thirty members of the Men's Bible Class of the Methodist church attended the October meeting held at the Mattison-Fehlman camp, when the following were elected to serve as officers in the coming year:

Claude Ferrigo, president; Gerald Mattison, first vice president; Ralph Way, second, vice president; Gerry Briggs, recording secretary; Clyde Briggs, financial secretary; Victor Granquist, Sunday school teacher; Clyde Briggs, flower committee member.

Members of the class brought food and a bountiful evening meal was enjoyed prior to the business session. President Charles Fear-

son opened the meeting and turned it over to Claude Ferrigo, chair-offered prayer.

Refreshments were served following the meeting by Mrs. Esther Burns and her committee.

Recording secretary, and Mrs. Gladys Young, treasurer.

Appointed officers also installed included: Mrs. Eva Levans, and Mrs. Valgene Slack, supporters to the noble grand; Mrs. Carrie Edwards, warden; Mrs. Edna Russ, conductor; Mrs. Myrtle Mickel, pianist; Mrs. Luella Kitchen, chaplain.

Mrs. Isabelle Mauk, inside guardian; Mrs. Dorothy Doyle, outside guardian; Mrs. Lula Camp and Mrs. Lillian Miller, vice grand supporters.

Newly elected and installed officers included Miss Ruth Work, noble grand; Mrs. Nora Weidner, vice grand; Mrs. Lois Thet, re-

by Mrs. Loren Wright and Mrs. Richard McGuire.

Installation of officers took place at the regular meeting of the Lady Harriet Rebekah lodge held in the Odd Fellows hall. Mrs. Hazel Witz, district deputy president and her staff from Warren, conducted the installation ceremonies.

The Honorable Allison D. Wade, President Judge of Warren-Forrest counties and also an outstanding artist, will address the Progressive Woman's club on art at their 8 p. m. meeting tonight at the home of Mrs. Archie S. Brown, Pickering street, with Mrs. Richard Curtin as hostess.

Roll call will be answered by members naming a favorite painting. Refreshments will be served

JACOBY ON BRIDGE

DON'T GO OVERBOARD; IT MAY BE COSTLY

By OSWALD JACOBY

Written for NEA Service

West doubled four spades in the

hand shown today because he

didn't like the sound of the bid-

ding. The opponents had crawled

up to their game contact with

great uncertainty, so there was a

fair chance that they were over-

board and practically no chance

that either of them could afford a

redouble.

If West had opened a heart,

South would have been set with-

out any trouble. Not being clai-

voiant, West opened the king of

diamonds. He then continued with

the queen of diamonds, and South

ruined.

At this point the contact was

cold. If South merely played it

properly. But South was sure that

West had the king of trumps for

his double, and he wanted to cure

West of the annoying habit of

doubling him.

South therefore finessed dum-

my's jack of trumps. The finesse

succeeded, and South thereby lost

his contract.

Declarer quite properly took

West's ace of trumps next but

then had the problem of getting

back to his hand to draw the rest

of the trumps. He couldn't afford

to ruff another diamond, since that

would reduce him to the same

number of trumps as West, and

West would be able to lead still

another diamond when he got in

Dragons Are Season's Fourth Victims of Bradford Owls

Local Hi Gridders Falter After Maintaining a 6-0 Lead Over McKean Co. Foes the First Half

A favorite Bradford High grid eleven battled from behind a 6-0 halftime lead here on War Memorial Field Saturday afternoon to win over the Warren High Dragons 13-6.

It was the fourth victory of the season for Rock Denning and his Owls and marked the third straight loss for the Blue and White.

The first half of the contest was a demonstration of some of the first-class ball the Leidigmen had played earlier in the season, as they matched the Owls with six first down and out-rushed them on the ground by 54 yards.

However, the play after the intermission was in the hands of the Bradford eleven. The Denning boys threw the Dragons for a net loss of three yards in the third period. George Sealise threw to Vesling, and held them to a net of two.

The Leidigmen stayed pretty well away from the air-ways, tossing only three aerials in the entire game and having two of them intercepted. Bradford attempted 11 passes, completed only four, but picked up 98 yards and three first downs.

Toby Shea, power Dragon full-back, busted through right tackle for 41 yards and the first tally in the second period to put the Warrenites in front. Then a 22 yard pass from quarterback Dick Bell to Joe Bizzaro and Tom Milliron's placement in the third section gave Bradford a 7-6 lead.

Final scoring came midway in the last quarter after the Dragons practically handed the Owls the pigskin on their own five, from where Rudy Buccolini carried over in two plays.

Dave Berdine kicked off for Warren, but on the fourth play of the game Ed Frontera snagged a long pass of Bell's on his own 22 to give the Dragons possession. With Shea, Frontera, and Sealise carrying, the Leidigmen drove to the Bradford 46 on five plays. Then a fumble forced Warren to punt.

Taking over on their own 21, Monty Edel paced the Owls' attack to mid-field. But a fumble recovered by Dick Walchli and Shea gave the Dragons the ball on their 49.

At this point the underdog Dragons made the first threat of the contest by driving to the ninety yard stripe. Shea, on jaunts of nine, seven, and five yards, moved the sticks three times in the drive, with Frontera and Dean Vesling aiding in the ball carrying.

With a first on the 10-yard stripe, Shea hit center for one, Frontera lost two and made one back. Fourth down, quarterback

stanza before the Owl's final score.

Bud Terry, reserve back, was downed back on the five, Shea lugged back to the seven, and Vesling traveled four more to the 11. On the fourth down the

resulting in a six yard loss and the Owls' possession on the five.

From here the Bradford eleven had little trouble as Buccolini touched pay dirt on two bucks through the line.

Each team was forced to punt in the remaining minutes, with a Bradford pass interception ending the Leidigmen's last attempt at the gun.

Archers Roaming Woods in Search Of Antlered Deer

Harrisburg, Oct. 15.—(P)—Some 4,500 modern Robin Hoods are expected to stalk deer beginning today in the first season in which all Pennsylvania hunting grounds have been thrown open to bow and arrow enthusiasts.

A prediction that at least 300 bucks would be killed during the two-week season ending October 27 came from Thomas D. Frye, executive director of the State Game Commission.

Only five deer were killed last year when bow and arrow hunting was limited to two small tracts in Forest and Sullivan counties.

Bow and arrow hunters may kill one legal antlered deer. The quarry must be a buck with two or more points to one antler.

The archers must possess a regular hunting license costing \$3.15 in addition to a special \$2 archery license authorized by the 1951 general assembly.

Warren High 2nds Battle Bradford

Warren High Seconds are playing a Bradford Jayvee eleven on War Memorial Field this afternoon in an effort to avenge an earlier 20-7 setback handed them by the Baby Owls on September 24.

Coach J. B. Leidig and his squad were already turning their heads or last Saturday's loss, when they reported on the drill field at 1:30 today to start prepping for next Friday night's invasion of Ridgeway.

Indians and Bosox Folded, So Yanks Won on Force of Habit

BY HARRY GRAYSON
NEA Sports Editor

NEW YORK.—(NEA)—When the Indians were presented with their golden opportunity, television's Dirty Dean bet that they would win nine of their last 13.

The Cleveland club bagged only four. The Tribe had taken 16 of 17 from the Tigers, yet dropped four of the last five to Detroit.

Previously the Indians broke the backs of the Red Sox when Mike Garcia and Early Wynn copped a double-header. The Bosox folded in their finest fashion, winding up sloughing off five to the Yankees, running a losing streak to nine, snapped only by the final ball.

So the New York Americans more or less backed in, won from for of habit.

In the end, however, it was the solid pitching of Raschi, Reynolds, and Lopat that made it three in a row. The erstwhile Bombers turned in more shutouts than any other two ball clubs combined—24. Allie Reynolds alone had seven, or as many as the entire Boston staff, and two were no-bitters. Vic Raschi and Eddie Lopat had four each. The only other pitchers with that many were Bob Feller and Bobby Schanz, the Athletics' little left-hander, who troubled the Yanks by the way.

JOE DI MAGGIO, in what may turn out to be his last campaign, fell off in hitting, but his brilliant defensive play held the Yankee cutie together. Larry Doby of the Indians had a miserable season in center field, and Dom DiMaggio of the Bosox is the only other AL player of this key position who can be compared with his big brother.

Cliff McDougald, 25, joined the long list of Yankee dependables. In Phoenix in the spring, Rogers Hornsby told Casey Stengel, "You've got to find room for this kid because he'll make it." The Rajah had McDougald in 1950 in Beaumont.

Three youngsters who weren't even on the roster figured prominently in the Yankees' latest success, the others being Mickey Mantle, 19, and Tom Morgan, 21, who developed into an excellent spot pitcher. Yogi Berra and Phil Rizzuto went practically all the way to contribute generously to the flying of another pennant in the Bronx.

Despite the hard, cold facts, the Yankees had it in the pinches. When it was Cleveland they had to beat, they whipped the Indians. When it was the Red Sox, they beat the Red Sox.

Bowling A. & P. Observes Pennsylvania Week

In a novel and convincing way, A. & P. food stores in this area are observing "Pennsylvania Week."

Prominently displayed in each of the company's stores is a handsome blue poster saluting the progress of the Keystone State, and listing an impressive array of products grown or manufactured in Pennsylvania which are on sale in the store. Trade names that are household words appear more than forty times in the grocery-household goods category, while more than two dozen meat and produce items are also named.

The poster notes: "Your A. & P. Food Store distributes quantities of many products grown or processed in this state. They are available at your A. & P. because they represent excellent values. They also show that A. & P. wants to be, and is, cooperative with agriculture and business throughout the Commonwealth."

Dickey-Ben Season Ends With Largest Crowd of All Time

Dickey-Ben Speedway at Starbrick, established an attendance record Sunday afternoon with the largest crowd in attendance present for the 100-lap, 50-lap and crash diving events. Another, and perhaps less commendable, record was established by the "dead heads" stacked in rows along the railroad tracks and on adjacent hillsides, while at 4:30 p. m. no less than 84 of their cars were parked along Route 6 as a hazard to the heaviest Sunday traffic seen in a long time.

Word of this well attended activity will be carried back to New York state by the several hundred visitors on the well-laden "rampaging train" from Buffalo and Rochester which passed the speedway while action was at its height. Even the distance between the tracks did not hinder a wonderful view of the hundreds watching from the train.

Dean Layfield of Wellsville, N. Y., well known in the stock car racing field, won the 100-lap race and the \$600 prize. Paul Boyland of Brocton, only two-thirds of a lap behind, was second and won \$400, while third place and \$250 went to Rod Williamson of Colorado, close behind Boyland. A Warren entrant, Wayne Cook, was sixth. The management paid out \$1,750 in award money.

The winner of the 50-lap race was "Buzzy" Cappino of Jamestown, with Don Dale of Knox, Pa., second. It was nip and tuck between these two cars all the way. One of his finest performances in a long list of coming-out-alive dare devil stunts was put on by Marv Servis of Salamanca. Williams Salvage Company had towed to the speedway a huge old Warren City Lines bus which was parked perpendicularly to the ramp, then on beyond the ramp were piled several other cars which Williams had brought there to be wrecked on previous occasions. He had equipped Servis with an unusually speedy sedan, stripped for the event, and greater speed than ever before was attained by the dare-devil in his trial runs around the track. He hit the ramp at an estimated 50 miles an hour, completely cleared the bus and the wrecked cars, turned completely over in mid air 15 feet above the ground, and landed with the top of the car crushed into the ground, its wheels spinning above. The crowd gasped as one person, then a pall of absolute silence settled over the spectators for some time; it required much longer than usual to extricate Servis. He was knocked senseless, but quickly recovered and when he was seen walking around, a huge cheer went up, even from the "dead heads."

Sunday's program closed the Dickey-Ben Speedway for the 1951 season, but on Wednesday night the drivers and other friends will be entertained by proprietors Ben White and Dick Morrison at a farewell party in the Town Barn.

It is anticipated that, due to the separate archery season for deer this year, the number of deer killed in Pennsylvania will jump tremendously over that of 1950 when but five were killed by arrows. Even with the increase in bow and arrow hunters, the Robin Hoods will probably reap more enjoyment and health benefit from their hunting expeditions than they will deer. It takes skill and plenty of woodsman's know-how for an archer to bag a deer.

Undoubtedly, many more archers than formerly will hunt this year on agricultural land. Some of the rural folk have expressed opposition to this "extra" season. Bowmen are often complimented on their sense of sporting values. It will remain for this year's advance guard to pave the way for archers of the future by demonstrating not only sportsmanship but safety, also tact in approaching farmers on whose land they wish to hunt.

Penna. Sportsmen Adopt Resolutions

Harrisburg, Oct. 13.—(P)—The leaders of Pennsylvania's organized sportsmen were on record today in favor of deer shooting following the annual buck season and opposing any open season.

The directors of the Pennsylvania Federation of Sportsmen's Clubs voted down a proposed resolution suggesting a single season in which one deer of either sex could be killed by each licensed hunter.

However, they supported and sent along to the general membership meeting later today another resolution calling for the deer season to follow buck season—the same as the State Game Commission planned for this December 14 and 15.

The general delegates to the two-day annual convention were expected to take similar action on the resolution.

The federation, which claims more than 200,000 Pennsylvania hunters, fishermen and conservationists, is usually instrumental in the establishment of new game and fish regulations for the Commonwealth.

The directors also approved unanimously a series of resolutions protesting any letdown in the rigid enforcement of the Commonwealth's clean streams law. They also called for the defeat of a house bill giving communities a two-year extension of state orders to construct sewage treatment plants.

Only 18 of the original 30 resolutions—the smallest number in many years—were approved by the directors in their screening sessions.

Other resolutions approved urged:

Reduction of the daily limit on trout from ten to eight.

The State Game Commission to keep the coon off the unprotected list.

Men in Service

A special news dispatch just received from Camp Drake in Japan brings the news that Richard F. Hause, son of Mr. and Mrs. Dewey F. Hause, 18 Central Avenue, has recently been promoted to the grade of sergeant in the Army's Far East Command. Sgt. Hause is presently assigned to the Japan Replacement Training Center at Camp Drake, near Tokyo.

Installation Is Held By Russell I. O. O. F.

Russell, Oct. 15—Ralph Knupp, the district deputy grand master from Warren, came with his staff to visit the regular meeting of Conewango Lodge, IOOF, and installed the following newly-elected officers:

Noble grand, Stanley Pearson; vice grand, Harry Pearson; recording secretary, Chester Anderson; financial secretary, James Akeley; treasurer, Clarence Akeley.

ley, Sr.; warden, Lawrence Werner; right and left supports to the noble grand, Howard Ramsdell and Kenneth Pearson; conductor, William Goldsmith; right and left supports to the vice grand, Charles Fox and James Prettyman; scene shifters, Elburn Briggs and Edward Voty; inside guardian, Richard Enos; outside guardian, Wayne Fay; chaplain, Leonard Schultz.

At the close of the evening's business session, refreshments were served by the social committee.

Hundreds of U. S. airmen were stationed in the Azores in World War II.

Emergency Room At Hospital Has A Busy Weekend

Another busy week-end for the emergency room at Warren General Hospital with many minor accidents requiring attention as well as cases involving surgery.

Eugene Berlin, 18, of Endeavor, remains as a patient in the hospital after having received extensive lacerations to his right foot, Friday afternoon, while at work in the plant of the Endeavor Lumber Company. It is reported that he stepped into a chipper at the lumber plant. He was brought to the hospital in the Sage ambulance.

Mrs. Alice Reading, 15 Terrace street, fell while walking on the street and fractured her left wrist. She was admitted to the hospital Friday night, but was discharged on Saturday.

A visitor to Warren, Thomas Couch, 13, of 601 Clearview avenue, Pittsburgh, suffered a fractured clavicle while playing football with a group of youngsters, Saturday, but was discharged after treatment.

Robert Atkins, 18, of 200 Main street, Clarendon, struck his left ankle with an axe, Saturday, while working on the Ricker oil lease at Brown Run, and was discharged after sutures were inserted.

Harry Brinkley, 32, of Clarendon, was treated and discharged after suffering head abrasions and a finger fracture while at work, Saturday.

Harry Johnson, 56, Clarendon RD 1, was slightly injured in an automobile mishap on Route 6, west of Clarendon, at 8 p. m. Sunday. He suffered scalp lacerations, fractured ribs, and was entered as a patient.

Fred Reynolds, Warren RD 2, was kicked by a colt, Sunday, suffering lacerations to his left lip. He was discharged after insertion of sutures.

The Azores are among the few surface-piercing peaks of the submerged mid-Atlantic mountain range, according to the National Geographic Society.

GEORGE THE THIRD—George Shiarella, a teller at the First National Bank in New Kensington, Pa., is the third person charged with embezzling from the bank within a month. Shiarella was arrested by the FBI, charged with using bank funds for personal stock market ventures for the past ten years. His seizure was the eighth recent arrest for bank embezzling in the Pittsburgh area.

Final Rehearsal Of 'Ridin' High' to Be At W. H. S. Tonight

Tonight the entire cast of the Optimist-sponsored home talent revue and minstrel, "Ridin' High," will gather at the Warren High school auditorium for the final put-together rehearsal. It will be at this rehearsal that the blackout skits, specialty acts, costumed singing and dancing chorus girls and the minstrel will acquire continuity to carry out the theme of the show, a transcontinental airplane voyage. "Ridin' High" will open to the public tomorrow night at 8:15 p. m. at the auditorium, with a repeat performance Wednesday evening.

The revue of the show will carry the audience from New York to

Pittsburgh, Chicago, St. Louis, Kansas City and San Francisco. This forms the first act of the show. The second act is the stop in Dixie where the Dixie Minstrel will be presented.

Opening with a perennial minstrel favorite, "Are You From Dixie?" the score includes such old favorites as "Mississippi Mud," "And They Called It Dixieland," "When That Midnight Choo Choo Leaves For Alabama," "I Want To Be In Dixie" and a host of other songs from through the years.

Richard F. Seward, the show director, will act as "Mr. Interlocutor" and will be supported by Jim "Jerico" O'Donnell, Roger "Jambo" Thomas, Ernest "Ebenezer" Owen, Tony "Ambrose" Regins, Abe "Josephus" Schwartz and Spinner

"Mushmouth" Johnson appearing as end men.

Claire Dahlgren and Merle Anderson of Sheffield are tenor soloists. One of the highlights of the minstrel will be the appearance of Sonya Bariss as the celebrated Louisville Lou.

The show will be accompanied by Eleanor Doeblir at the piano and Orrie Beebe at the organ. Tickets will be available at the door for both performances. Proceeds will go to the Warren Boy Choir and the Optimist's Boys' work.

Pennsylvania Gas Planning a Survey

The Corry Journal says surveyors for the Pennsylvania Gas Company are scheduled to be working in the Corry district in the near future, laying out the right-of-way for a new main which will eventually run between Warren and Erie.

Starting earlier this Summer, employees of the Harford Brothers Construction Company began laying the line from Warren and currently are working about five miles west of that community. Slated for delivery within the

next few days is a shipment of eight more miles of pipe, which upon being laid, will bring the total up to 13 miles this Summer. Barring any serious disruption of the delivery schedule of pipe the PGC officials expect to receive the balance needed to complete the line next Summer.

While the new main will make a material difference on the supply of fuel moving to Erie during the Winter, it is not expected to have any great effect on the amount available here.

The first electric train in the U. S. made its first trial run on April 29, 1851.
